

Memo/Reply From  
JOSHUA LEDERBERG

TO: Hon. Jack F Kemp

DEC 15 1980

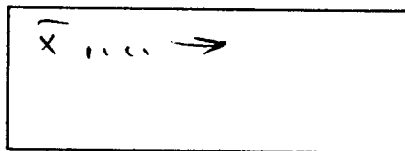

Hallelujah: productivity vs. stagflation

The news reports of your "Dunkirk"  
paper were a breath of fresh air.

I have now understood the doctrine  
that clamping down on money  
could improve it, and am delighted  
at closer attention to the funda-  
mentals of vigorous production and  
technological innovation!

Cordelia +  
best wishes.

Joshua Lederberg
